

**26th Annual PSG Symposium on the Etiology, Pathogenesis, and Treatment of Parkinson Disease and Other Movement Disorders**

Presented by the Parkinson Study Group in collaboration with the Huntington Study Group, Dystonia Study Group, Myoclonus Study Group, Tourette Syndrome Study Group, Cooperative Ataxia Group, and Tremor Research Group  
**Four Seasons Hotel, 4150 N. MacArthur Blvd., Irving, Texas 75038**  
**Friday, May 11, 2012, 8:00 a.m. – 1:00 p.m.**  
**Ballroom**

**PRELIMINARY PROGRAM AGENDA**

**“Non-Motor Features of PD and Other Movement Disorders” in honor of Clifford W. Shults hosted by the PSG Other Non-Motor Working Group**

**LEARNING OBJECTIVES:**

- 1) To understand the biology and prognostic significance of REM Sleep Behavior Disorder in Parkinson disease.
- 2) To understand the epidemiology, clinical features, and management of depression in Parkinson disease.
- 3) To understand the biology and significance of olfactory dysfunction in Parkinson disease.
- 4) To understand the nature of and indications for behavioral interventions in Tourette syndrome.
- 5) To know the recent treatment advances in dystonia, ataxia, tremor, and other movement disorders.

- 8:00 – 8:10    Introduction/Acknowledgements/Best Abstract Awards: Roger Albin, MD, Chair, PSG Symposium Committee
- 8:10 – 8:40    1-Presentation: Rapid eye movement sleep (REM) behavior disorder (RBD) in PD – Ronald Postuma, MD  
25 min/5 min Q&A – 30 min
- 8:40 – 9:20    2-Presentation: Perspectives on Depression in PD - Laura Marsh, MD and Susan Fox, MD  
30 min (Each talk is 15 min)/10 min Q&A – 40 min
- 9:20 – 9:50    3-Presentation: Olfactory Dysfunction in PD: Dopamine is not the Whole Story – Richard Doty, PhD  
25 min/5 min Q&A – 30 min
- 9:50-10:20    4-Presentation: Behavioral Interventions in Tourette Syndrome – Douglas W. Woods, PhD  
25 min/5 min Q&A – 30 min

**Platform abstract presentations: (each platform is 10 min/5 min Q&A) – platform presentations will be determined after abstracts have been selected (by March 1, 2012).**

- 10:20-10:35    1-TBD
- 10:35-10:50    2-TBD
- 10:50-11:05    3-TBD
- 11:05-11:20    4-TBD
- 11:35-11:50    5-TBD- reserved for Late-Breaking Research abstract
- 11:50-12:00    Closing remarks – formal poster session starts
- 12:00-1:00    Formal Poster Session (during lunch) on PD and Other Movement Disorders such as Dystonia, Ataxia, Tics, Myoclonus and Tremor.**
