

**PARKINSON  
STUDY GROUP**

# **COORDINATOR VISITING MENTORSHIP PROGRAM**

**APPLICATIONS DUE SEPTEMBER 16, 2022**

**AWARD NOTIFICATION OCTOBER 3, 2022**

This is an initiative that focuses on the mentorship of new coordinators/sites that are committed to clinical research in the Parkinson arena. This program will help them evaluate where their skill set needs the most development and match them with a seasoned coordinator within that specific area of expertise.
