PSG 2023 VMP

Award Period: July 1, 2023 - June 30, 2024

The VMP is focused on continued development of newly-trained clinicians/researchers in the field of movement disorders

APPLICATION DEADLINE: APRIL 3, 2023

"The Visiting Mentorship Program was instrumental in connecting me with a mentor with expertise in my research area of interest. During the mentorship period, I was able to collaborate with my mentor through dedicated phone calls and an in-person meeting which eventually brought to fruition the publication of a peer-reviewed article on dementia risk factors for Parkinson's disease." Chizoba Umeh, M.D.
